

# G21 HEALTH AND WELLBEING PILLAR

## Department of Health and Human Services

Funds the G21 Health and Wellbeing Pillar as the Primary Care Partnership (PCP) for the G21 region.

## Health and Wellbeing Pillar Executive

Provides leadership, guidance and oversight to the G21 Health and Wellbeing Pillar.

## Health and Wellbeing Pillar Roundtable

Influential leaders in community services, health services and government that meet quarterly to maintain strategic networks across the region.

## Health and Wellbeing Director

Works to implement the strategic directions of the G21 Health and Wellbeing Pillar across the region. Engages in partnership building across the health and community services sector and local government, and provides leadership to a range of collaborative projects.

## Health and Wellbeing Project Support Team

A small team that supports the Pillar in its day to day work. The team provides support to a range of Health and Wellbeing collaborative projects.

## G21 Region Alliance

The G21 Region Alliance supports a range of projects across eight pillars. The Health and Wellbeing Pillar is unique within the G21 Region Alliance as it receives funding from Department of Health and Human Services to operate as a Primary Care Partnership (PCP), with a strong focus on preventive action to improve the health and wellbeing of people that live in the G21 region.
